

A photograph of two young children playing with a large, red and orange toy hoop. One child, a girl with dark curly hair wearing a purple sweater, is sitting inside the hoop and smiling. The other child, a girl with dark hair wearing a green patterned sweater, is standing outside the hoop, holding its edge. The background is a soft-focus indoor setting. The text "Spread fun. Not Flu." is overlaid on the image in a large, white, sans-serif font. The background of the lower half of the image features a yellow and orange polka-dot pattern.

# Spread fun. Not Flu.

Even healthy kids of any age can get seriously sick from the flu,  
and they can spread it to family, friends, and others.  
Everyone 6 months of age and older should get a flu vaccine every year.

**Get Your Flu Vaccine. Not the Flu.**

The flu benefit is a covered service for Medicare  
and for children enrolled in Medicaid and CHIP.
